

Context Notes

- Notes:
- Source of user data: Director uploads Excel from another system.
 - Authentication: username + fixed password (hashed).
 - Timezone: Iran; calendar display: Shamsi (handled at app layer).

Business Rules Snapshot

- Booking window: next 20 days. Stay length: up to 3 calendar days (hotel: check-in 14:00, check-out 12:00).
- Capacity: max 8 people (includes employee). If capacity full -> no booking (no waitlist).
- Director manual booking: instantly blocks the place/date capacity.

Budget & Policy Notes

- Budgets are per OrgManager AND per bank (amount + people). Director can top-up anytime.
- Budget is consumed only when a letter is issued. If bank rejects / not received, budget is NOT refunded.
- Re-apply to same bank only if previous request is marked NOT_RECEIVED (director-confirmed) and 30 days passed since letter issue date.
